RSVP recruits and trains persons 55+ as volunteers and gives them meaningful opportunities that benefit their health and well being and provides a valuable service to the Darke County Community.

GATEWAY YOUTH PROGRAMS
Jeff Vaughn – Alternative Education Coordinator
jvaughn@councilonruralservices.org

AFTER-SCHOOL PREVENTION PROGRAMS: Provides early intervention to youth ages seven to seventeen and their families, who may be experiencing conflicts at home, school, or in other areas of their lives. These supportive services focus on improving skills in conflict resolution, anger management, self-esteem, decision making, and socialization skills. Services include school visits, office visits, home visits, and groups. The goal is to gain the skills necessary to deal with life’s many challenges.

THE CONNECTION YOUTH CENTER: Youth recreation center where youth can unwind after school while building positive relationships with peers. Youth also work to increase communication skills, cooperation, respect, and teamwork while working on special projects and events.

ACES—ACHIEVEMENT CENTER FOR EDUCATIONAL SUCCESS: The ACES Program is offered in collaboration with the Darke County Educational Service Center (DCESC). The program provides Darke
County Schools and parents a safe educational environment as an alternative to out-of-school suspension/expulsion. The program targets students grades 9 -12 who are credit deficient and/or on the verge of expulsion or dropping out. The ACES program offers an alternative to the regular classroom setting. A Certified Teacher employed by the DCESC incorporates the curriculum for the students. All credits earned are transferred to the student’s home school towards graduation. Students receive diplomas from their home school upon completion of their graduation requirements. Mental health and drug/alcohol counseling are offered to all students enrolled. Students must be referred by their home school principal.

WORKFORCE INVESTMENT ACT (WIA) YOUTH PROGRAM: Provided in collaboration with the Department of Jobs and Family Services. WIA prepares youth between the ages of 14-21 to successfully enter the workforce. Participants work to increase job skills, build educational skills, explore career options, manage money, and become productive citizens. This program focuses on employability, civic and social involvement, and developing the whole individual in the following areas: physical, intellectual, and mental health.

TUTORING: The tutoring program is offered to any school age students to increase their educational skills and improve their overall academic performance. Students receive individual sessions with their tutor and meet on a weekly basis. This program works in conjunction with the local school systems and is based on a sliding scale fee.

EARLY CHILDHOOD EDUCATION PROGRAMS
KIDS LEARNING PLACE: A state licensed childcare center for infants, toddlers, and preschool children, operated year-round, five days a week, from 6:00 AM to 6:00 PM. The center provides an environment that encourages positive socialization and stimulates learning. Child care services may include private pay, or tuition funded through the Department of Job & Family Services.

DARKE COUNTY HEAD START: For enrollment call 1-866-627-4557 This is an early education program for children 3 to 5 years old, and free to all income eligible children. Services provided can include an education component, health services, social services, and parent involvement. Ten percent of the funded enrollment must consist of children with disabilities.

**Public Health Infrastructure:** The Public Health Infrastructure Grant for bioterrorism preparedness provides funding for a wide range of public health initiatives, which are used to combat threats to public health. The grant provides our agency with funds to prepare for public health emergencies, which include acts of bioterrorism. Emphasis is put on improving communication between our agency and key players in Darke County to develop, exercise, and implement Darke County’s response plans and protocols which are integrated into the local, regional and state levels. Under this grant umbrella is the reporting of communicable diseases for our county residents. This service gives us statistical information of reportable diseases encountered by local residents such as TB, STDs, and Hepatitis. The Darke County Health Department assists in advisement and counseling about infections and offers direction in treatment and testing.

**ENVIRONMENTAL DIVISION SERVICE DESCRIPTION:** The Environmental Division aims to improve services that will protect the environment and improve the environmental factors that affect the health of the citizens of the Darke County Community. Programs include: sending quarantine notices for animals such as dogs and cats that bite a person to prevent rabies, licensing and inspection of operations that sell food, licensing and inspection of recreational camps, public swimming pools and bathing beaches. The Environmental Division also handles nuisance complaints. In order to file a complaint, a form must be completed at the Health Department. Incomplete complaints or complaints that are not signed or health related will not be investigated. Permits for sewage and plumbing systems must be obtained before they are installed or altered. Existing septic systems may be inspected for home sales, land splits, or part of the Operation permit program. Also, septic installers, septic tank pumpers, and plumbers must register with the Health Department. Before a well is drilled or altered, a well permit must be obtained to ensure it meets certain
distance requirements. Tattoo operations are licensed and inspected by the Health Department. The Solid Waste Program includes the licensing and inspection of garbage trucks, solid waste facilities, and composting facilities. School buildings are checked for safety, sanitation, and playground safety. Complaints of smoking in public places or workplaces are investigated. To report a complaint, call 1-866-559-OHIO (6446). Radon educational materials and West Nile virus materials are provided free of charge to interested residents in Darke County.

DARKE COUNTY JUVENILE/PROBATE COURT
JUDGE JASON ASLINGER
300 GARST AVENUE
GREENVILLE, OHIO  45331
(937) 547-7350; FAX: (937) 547-1945
HOURS:  8:00 AM - 4:30 PM; M - F
PROBATION DEPARTMENT: Probation is an alternative for a child to prove him/herself, to abide by guidelines set forth by the Court, rather than being removed from the home. A child must report to the probation officer as directed, obey all laws, attend school, abstain from all alcohol and drugs, abide by curfew hours, undergo drug testing, obey parents and advise them of whereabouts at all times.

JUVENILE COURT/OFFICE: Provides for the care, protection, mental and physical development of children. Protects the public interest in removing the consequences of criminal behavior and substituting a program of supervision, care and rehabilitation. Separates a child from his/her home only when necessary or if in the public’s best interest. Also insures parties involved of a fair hearing and that their constitutional and legal rights are recognized and enforced. Types of cases include delinquency, unruliness, neglect, abuse, dependency, child custody, traffic offenses, paternity, child support, truancy, and juvenile marriage consents.

PROBATE COURT: The primary function of the Probate Court is to probate an individual’s will or the appointment of an individual to administer the estate of a deceased person. The court also appoints guardians of an individual who is incapable of managing their own affairs and appointment of a guardian for minors. Other functions of the Court include issuing of marriage licenses, adoptions, legal change of names and birth settlements of persons under the age of 18, approved re-interment of buried individuals, appoint individuals to various board positions in the county, file affidavits on a mentally ill person, work with Adult Protection services to protect the elderly, and are responsible for the safe keeping of old estate records and wills, birth and death records for genealogical searches.

DIVERSION: The purpose of Diversion is to prevent formal court action for certain first time traffic, delinquent (misdemeanors) or unruly charges. If the program is completed there will be no official court record.

CASA: COURT APPOINTED SPECIAL ADVOCATE: A child’s voice in court. A CASA volunteer is appointed to represent an abused, neglected or dependent child in Court. The volunteer will interview the child and involved parties then make recommendations to the Court based on the child’s best interest.
